

## AN OPEN LETTER TO WOMEN

Mrs. Little Tells How She Suffered and How Finally Cured

Philadelphia, Pa. — "I was not able to do my housework and had to lie down most of the time and felt bad in my left side. My monthly periods were irregular, sometimes five or seven months apart and when they did appear would last for two weeks and were very painful. I was sick for about a year and a half and doctored but without any improvement.

A neighbor recommended Lydia E. Pinkham's Vegetable Compound to me, and the second day after I started taking it I began to feel better and I kept on taking it for seven months. Now I keep house and perform all my household duties. You can use these facts as you please and I will recommend Vegetable Compound to everyone who suffers as I did." — Mrs. J. S. LITTLE, 3455 Livingston St., Philadelphia, Pa.

How much harder the daily tasks of a woman become when she suffers from such distressing symptoms and weakness as did Mrs. Little. No woman should allow herself to get into such a condition because such troubles may be speedily overcome by Lydia E. Pinkham's Vegetable Compound, which for more than forty years has been restoring American women to health.

Temperamental. Six-year-old Bessie, returning from church and eager to tell the news, said, "Oh, mother, we have a new terror in the choir." — Boston Transcript.

## VERIFY IT

The Proof Is In Paris, Almost At Your Door

The public statement of a Paris citizen is in itself strong proof for Paris people, but confirmation strengthens the evidence.

Here is a Paris citizen who testified years ago that Doan's Kidney Pills relieved weak kidneys and now states the result was permanent. Can any sufferer from kidney ills ask better proof? You can investigate. The case is right at home.

Mrs. A. L. Burley, 329 Eighth street Paris, says: "I have used Doan's Kidney Pills a few times and from the benefit obtained I can say they are a good and reliable remedy. Whenever my kidneys have acted irregularly or my back had been weak and lame I have always found a box or so of Doan's Kidney Pills, which I get at Ardery's Drug Store to relieve the complaint quickly."

The above statement was given November 10, 1916, and on November 12, 1920, Mrs. Burley said: "I haven't changed my opinion of Doan's Kidney Pills and recommend them just as highly to-day as when I gave my statement in 1916. The cure Doan's Kidney Pills made for me at that time has been permanent."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Burley had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (adv)

## ANOTHER BUBBLE BURSTS

Another oil bubble in Bourbon county has burst, and a number of persons who figured in the making of it are wiser but not wealthier.

Several months ago a young man visited the neighborhood of Hutchison, this county, who claimed to be an oil expert. He investigated conditions on a number of farms, on one of which an attempt had been previously made to drill a well, and pronounced the prospects for striking oil as being exceptionally good. The usual formalities were gone through with.

A stock company was formed, the stock being all taken by farmers owning land in that vicinity. An oil drilling outfit was purchased, and the young man placed in charge of the operations. A flow of gas, which had been previously started was again opened, but it is said that the extent of the drilling did not exceed over six inches. Finally one morning the "expert" driller failed to show up and has not since been seen. Soon, it is alleged, a number of what are alleged to be forged checks began to appear on the bank accounts of some of the farmers, which, it is alleged had been cashed by the man. A warm welcome to that hospitable section of the county awaits him upon his return.

## CUT IN RAILWAY EMPLOYEES WAGES TO BE GENERAL

Employees of virtually every railway will feel the 12 per cent cut ordered by the Railroad Labor Board to take effect to-day, following a supplemental decision extending the order to nearly 100 additional roads.

The wage slash authorized June 1, to take effect to-day, originally contemplated 104 railroads, although not all employees were affected on all roads. To-day's addendum to that decision include 210 roads, many of which were parties to the original decision, but which returned to ask reductions for employees not covered in the first order.

Except a few subsidiary lines, whose parent owners filed petitions for reductions, every railroad affected by Decision No. 2, the labor board's \$600,000,000 wage award of July, 1920, has been authorized to reduce wages an average of 12 per cent. Most of them have received such permission for all classes of employees. In addition, nearly two score other roads which voluntarily applied the increased scale fixed by the board in 1920, also have received authorization to make a similar cut.

## LOUISVILLE PASTOR SCORES PRESIDENT ANENT HARVEY

"If Mr. Harvey, ambassador to the Court of St. James, represented in his address at the Pilgrim's dinner the spirit and purposes of America in its entrance into the World War correctly, then we have descended to the vulgar standards of a nation of shopkeepers. I cannot understand why it remains unrebuked by the administration, by the President, who promised repeatedly before his election that the United States would enter some kind of an association of nations."

Thus the Rev. Dr. E. L. Powell, pastor of the First Christian church, in an address delivered before the Lion's Club, in Louisville, expressed what he termed the views of a non-partisan on Harvey's remarks.

Mrs. Charlotte Smith, mother of Mary Pickford, has filed a petition in court at Los Angeles, Calif., to have her name changed to Pickford.
